

## **CURRICULUM REVIEW**

Reviewed 19.09.11; Reviewed Nov 2012 BOT SubC; Reviewed Nov/Dec 2013 (Tracy/Donal)

### **ACTION**

1. Identify strengths in student achievement and programme delivery.
2. Identify barriers to learning and plan to address these effectively.
3. Gain feedback on student, community and staff perception regarding curriculum delivery.
4. Provide specific information to address/improve literacy, numeracy programmes and achievement for Maori / Pasifika / Special Needs Children

### **GUIDELINES**

1. Curriculum Review should be planned and systematically undertaken as part of the school-wide self review processes so that each curriculum area is reviewed in a major way at least once every four years. However every curriculum area is reviewed in a minimum way every year via the Budget review.
2. Curriculum Review should follow the same procedures as outlined in the Fruitvale School Self Review Procedure.
3. The Curriculum Review process will be reviewed for effectiveness as part of the School Self Review Cycle.
