

# Fruitvale COVID message

Thanks to you all for your part in our huge worldwide experiment!!!

Educating nations in a bubble...

Across the world children in hugely different countries will be learning in entirely new ways...

*Your teacher and child will have made contact, started the digital connection, and started the individualised learning that can happen through, Seesaw*

*and Google Classroom.*

*Our nation has set up a new TV channel especially for COVID  
What is it like on "Home Learning TV".*

<https://www.tvnz.co.nz/livetv/home-learning-tv>

It was a great start listening to Nathan Wallis and his tips for parents. 9am

Then different internal home games led by teachers from across the country. Read stories that were acted out and then a whole heap of interesting content in Te Reo Maori. Well worth a look if you get stuck.

If you're feeling stressed about the whole learning at home during COVID you could watch this news item

<https://www.tvnz.co.nz/shows/seven-sharp/clips/how-to-cope-with-kids-learning-at-home-during-the-lockdown>  
[n](#)

*I trust you're all having a good family time during this very strangest of periods in our world's history. You are living in an historical period... Years from now this time will be remembered and analysed and commented on by many... and you were there*

Na mihi nui  
Donal
