Fruitvale COVID message

We are at
level 4, August 20@11am

Kia Ora Koutou,

I hope that you all are safe in your bubbles. There has been a number of places of interest connected to New Lynn. I hope none of you have been affected by contact with these places and if you have wish you well as you test and wait for the results. Remember to scan.

By Now your child should have been contacted by their teacher and hopefully online learning has begun. If not please let me know. We are working with the MOE to be able to distribute devices as soon as possible

Further information about Alert Level 4 can be found on the [COVID-19.govt.nz website](https://www.covid19.govt.nz).
