VERY IMPORTANT MESSAGE FROM FRUITVALE SCHOOL. PLEASE READ.

Kia ora whānau

The Fruitvale Senior Management team are currently in the planning phase of assessing which families require on-site schooling for children in their care during COVID Alert Level 3.

During COVID Alert Level 3 school is only open to the children of essential workers that DO NOT have caregivers to provide care for their child.

Within the next hour, Fruitvale whānau will receive a text message from the school. We are asking that every family reply to the text message with either a Yes or No.

YES = My child requires on-site schooling

NO = My child will remain at home until Level 2

Replies are needed by 5 pm Friday 3rd September.

Those of you that reply YES to the text will receive a personal phone call by one of the management team to discuss your needs. This information is very important to ensure we plan for your child's needs, we ask that you reply to the text as soon as you receive it.

PLEASE NOTE: THIS SERVICE IS ONLY FOR CHILDREN OF ESSENTIAL WORKERS THAT ARE UNABLE TO HAVE WHĀNAU OR ALTERNATE CAREGIVERS CARE FOR THEIR CHILD.

Please ensure you have checked if others are able to care for your child. If you indicate that you need L3 in-school care for your child one of the Senior Management Team will phone you personally to discuss eligibility and make arrangements.
