The health and wellbeing of our children, staff and community is a top priority. You may have heard there's a confirmed COVID-19 case in our school community.

What we're doing

- We're working to identify any Close or Casual Plus contacts of the confirmed Case
- We will remain open and move to distance learning for Korimako Junior class while we work through the list of contacts

What you need to do

- If your child is in this class, stay home until we provide you with an update
