Kia ora koutou,

Please REPLY ALL when voting YES or NO to this fundraising motion that will enable Toni to proceed with the funding application.

Thank you all,
Poata

Funding Resolution – Outdoor Stage Sound and Lighting Equipment

Fruitvale Road School is seeking funding to install a sound and visual system for our outdoor stage. Upgrading our outdoor space will strengthen community engagement by creating opportunities for whānau to gather and celebrate our tamariki in an inclusive setting.

The Fruitvale School Board of Trustees resolves to apply to the following charitable organisations for financial contributions towards the purchase of sound and lighting equipment for the school's outdoor stage:

- Dragon Community Trust for \$24,850
- Milestone Foundation for \$24,850
- North and South Trust for \$24,850
- BlueSky Community Trust for \$15,000

These enhancements will support school performances, assemblies, and community events, enabling students to showcase their talents in a well-equipped outdoor setting and helping strengthen whānau and community engagement with the school.

Moved: Donal McLean
